

THE ABBEY

A PLACE TO MEET & EAT

In September of '74 Alvin Counard pedaled his bike from NE Green Bay to De Pere to finalize his Sheriff's Auction bid on the former End Zone Supper Club. The Supper Club had occupied the former Witbro Grocery Store at 208 S. 3rd Street. Alvin & his partners Steve Harrison & Gary Wauters would convert the supper club into The Abbey Bar. The Abbey immediately became famous among West De Pere Locals known as "townies" and SNC students, commonly referred to as SEIP's. For 25 years Alvin operated alone until 1990, when sons Kerry & Kip joined their father and operated the Westchester Abbey as a sports bar w/indoor golf and basketball. In 1999 the building you are in today was built, and a new chapter began. Again called The Abbey, Kerry operated solo until 2016 when 1995 SNC Alum Bret Van Asten joined the business. As we start our 45th year in business, we'd like to thank you all for the countless memories. Know that you are an important chapter in this 45+ year legacy and history.

We can't wait to turn the next page!
